

Appl. No. : 09/814,547
Filed : March 22, 2001

SUMMARY OF INTERVIEW

Exhibits and/or Demonstrations

None.

Identification of Claims Discussed

Claim 1.

Identification of Prior Art Discussed

Martin (6,330,547), Fairley's "Dupont donates patents" article, and Bowling's "Bank donates house to Habitat for Humanity" article. The Examiner apparently inadvertently failed to mention in his Examiner Interview Summary that Bowling's article was discussed during the interview.

Proposed Amendments

Applicant discussed possible claim language to overcome the 112 rejection of Claim 1, and discussed proposed amendments, which could distinguish the claimed invention over the prior art of record.

Principal Arguments and Other Matters

Discussed how donation value is determined based on predetermined considerations.

Result of Interview

Applicant agreed to review the amended claims and conduct an additional search.
